About Us

We, **D. R. Cosmetics Private Limited**, commenced our operations in the year **1972**, as manufacturer and exporter of a wide and commendable range of under the brand name of "**BUFIN**". This highly acclaimed and asked for range of . Also, we provide highly attractive Catch Covers to our customers. These products made available by us, provide extraordinary effectiveness and are characterized by highly pleasing fragrances. These are formulated using the finest ingredients that are available in the market in perfect compositions. Further, are offered to the clients at the best possible prices, making it one of the first choices in the market.

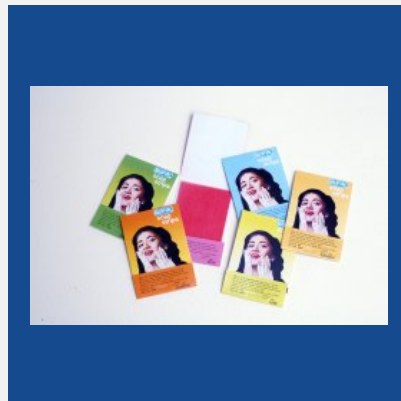

Our highly developed state-of-the-art infrastructural facility is instrumental for our everyday operations. The facility is equipped with all the necessary machines and equipment that are required for a standardized production process. In order to attain smooth functioning, we have parted our facility into a number of units, led by employees with high level of skills and experience. These units work in a synchronized manner, for achieving a number of the organizational goals. The offered range of , post the manufacturing process, is processed through a number of quality tests. This procedure precisely determines whether the desired quality standards are being maintained for all the products. In addition, our highly ethical working habits and adherence to the set industrial norms has helped us in...
